MEMORANDUM OF UNDERSTANDING

1. I acknowledge the fact that because of the particular fiduciary relationship between myself and the U. S. Government, I will be the recipient of information which, in itself or by the implications to be drawn therefrom, will be such that its unlawful disclosure or loose handling may adversely affect the interests, and possibly the security, of the United States. I realize that the methods of collecting, of handling, and of using this information, as well as the identity of persons involved, are often as sensitive as the substantive information itself and, therefore, must be treated by me with an equal degree of security and confidence.

2. I will always recognize the paramount interests of the U. S. Government in information which I or my organization may possess, compile or acquire as a result of requests placed upon me by Government representatives pursuant to this understanding. No advantage nor gain will be sought by me as a result of the added significance or value such data may acquire due to the Government's interest in it.

3. I solemnly pledge my word that I will never divulge, publish, nor reveal either by word, conduct, or by any other means such information or knowledge, as indicated above, unless specifically authorized.

4. Nothing in this understanding is to be taken as imposing any restriction upon the normal business practices of myself or the organization with which I am affiliated. It is understood that information normally possessed by us or gathered in the regular course of business will continue to be utilized in accordance with our normal practices.
